Details

Description

Kärcher's CV 48/2 upright vacuum cleaner is a lightweight, twin-engined machine with 480 mm working width which combines high suction power with a direct motor driven brush. Stubborn dirt particles, threads and hairs are dislodged from the carpet with ease whilst freshening up the carpet pile at the same time. Equipped with a wide, low profile brush head, the 48/2 cleans right up to edges and can operate completely flat for cleaning under furniture and beds.

Application

- Contract Cleaners
- Hotels, Restaurants, Shops & Offices
- Automotive Industry
- Hospitals and Nursing Homes

Features & Benefits

Easy brush replacement

Brushes are available with hard and soft bristles. ☐ They can be changed without tools.

Indicator light

Indicator light signals when the roller brush needs to be adjusted for maximum cleaning results.
