

# FLOORTEC 560 – WHY COMPROMISE

*Dust free sweeping of floors and carpet areas*

## Nilfisk ALTO

*Why Compromise*

# Effective even in narrow spaces

Adjustable ergonomic drive handle to match operator height. Foldable for easy transport.

The FLOORTEC 560 walk behind sweepers are ideal solutions for effective dust free cleaning of outdoor spaces as well as indoor floors and carpets.

Typical applications are service stations, car parks, playgrounds, factories, small warehouses, office buildings, hotels and conference halls.

With their compact, ergonomic design and easy manoeuvrability the handy machines allow you to clean large areas and at the same time get into corners and narrow spaces. That combined with low noise levels provide operators with a pleasant work environment.

Robust design and low maintenance costs are other significant advantages.

The FLOORTEC 560 sweepers keep your premises presentable without hard work.

## High productivity

- Sweep floors or carpets with one machine – more work done in less time
- Quick and easy inspection/change of filters and brooms without using tools
- Driver ergonomics, traction and easy manoeuvrability – for optimum work flow
- Space for two batteries – double operating times between recharging
- Manual or electrical filter shaker (battery versions) – easy maintenance

## Long life – low maintenance costs

- Corrosion protected steel frame with safe guards
- Durable polyethylene construction and roto moulded cover resists corrosion
- Mechanically linked motor and gearbox - reduces maintenance costs and minimizes downtime

## Large capacity

- Extra Large hopper capacity
- Over-throw system fills the hopper from above providing extra capacity

## Focus on safety

- Automatic power shut-off when changing/inspecting batteries or brooms
- Low voltage cut-off system protects and prolongs battery life
- ABS battery container prevents spillage from batteries on floors and carpets

Space for two batteries – extended operation time. Low voltage cut-off system – ensures long battery life protecting batteries from deep discharge. Optional on-board charger – freedom to charge anywhere.

## Flexible in use

- Service stations
- Small warehouses
- Car parks
- Conference halls
- Playgrounds
- Office buildings
- Factories
