

The Legendary Polivac Range

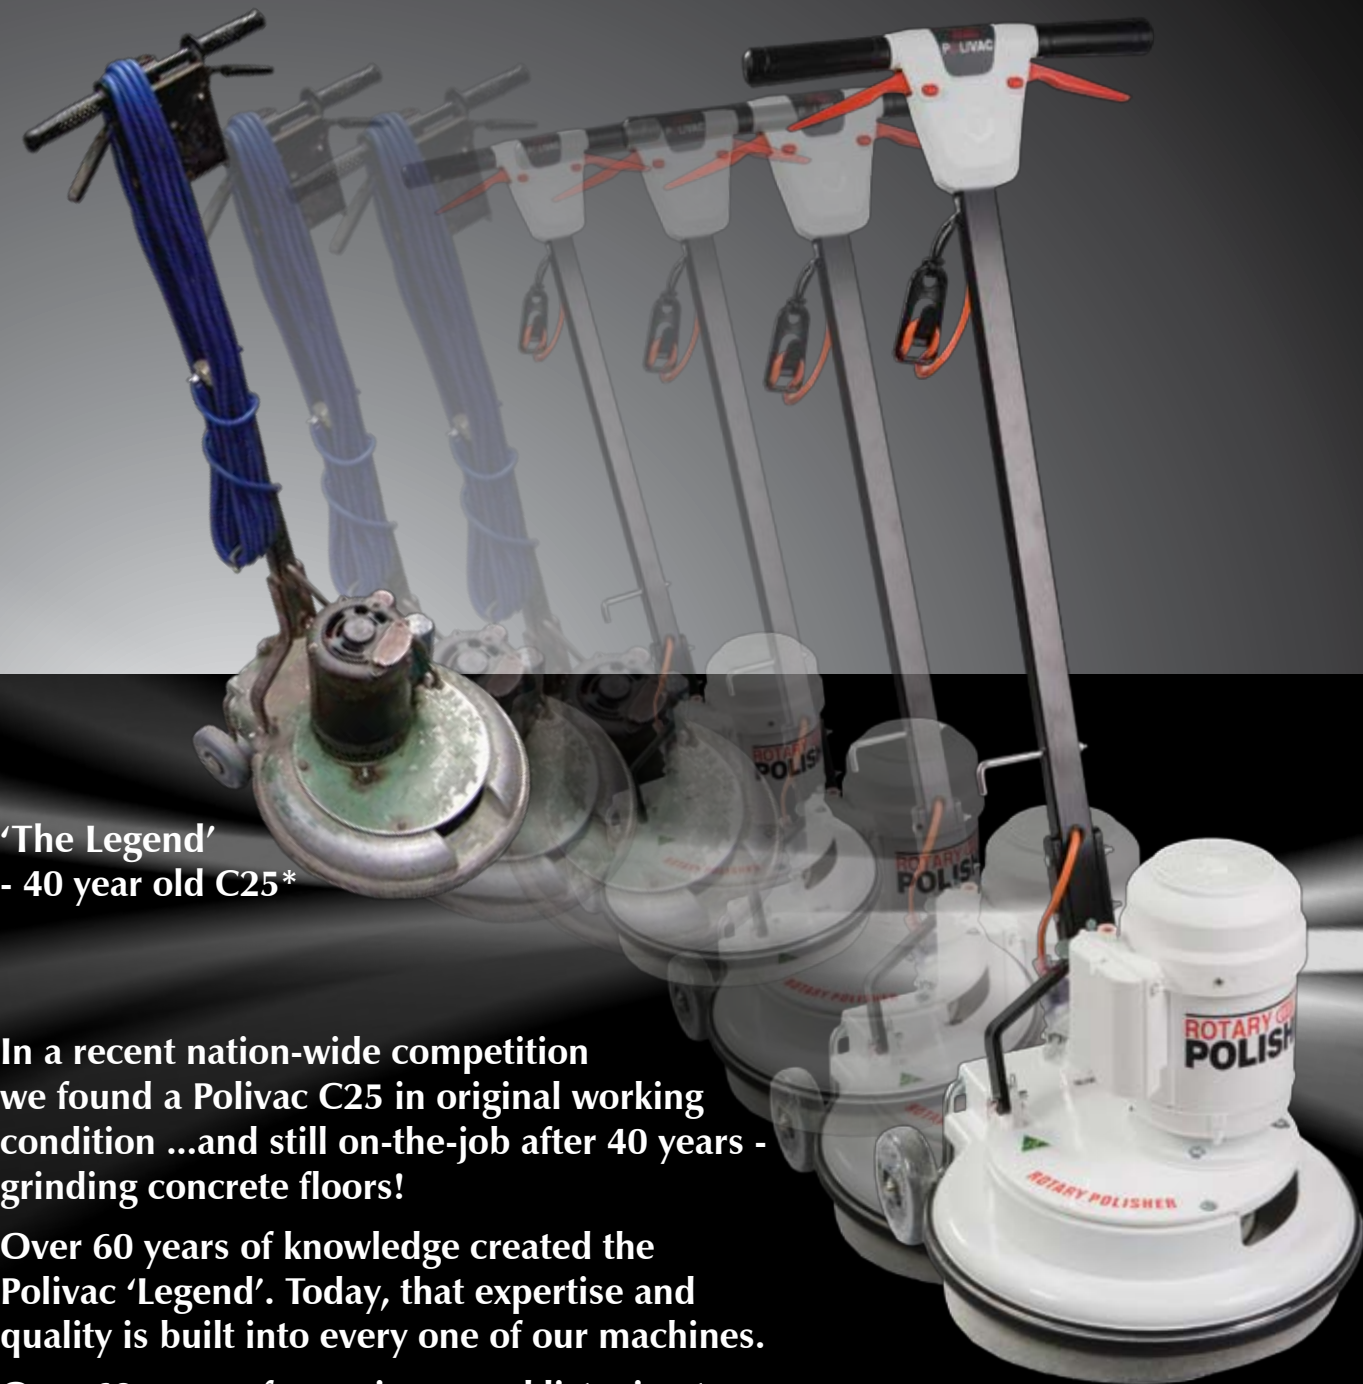

“ Thank you for considering Polivac.

Whatever you clean, now or in the future,
if you're looking for long life and reliability,
there's a machine in our range ideal for
your purposes.

Listed inside are the site types and floor
surfaces best suited to each of our models. ”

Tony Antonious
Managing Director

Why you can rely on your new Polivac
to give you years of trouble-free service.

'The Legend'
- 40 year old C25*

In a recent nation-wide competition
we found a Polivac C25 in original working
condition ...and still on-the-job after 40 years -
grinding concrete floors!

Over 60 years of knowledge created the
Polivac 'Legend'. Today, that expertise and
quality is built into every one of our machines.

Over 60 years of experience and listening to
what Cleaners want have gone into your new
machine.

Over 60 years of understanding that you need
not only above - average performance but also
a machine you can trust to be reliable, easy-
to-service and that will last for many trouble-
free years.

Thankyou for considering Polivac.

*Please go to our website www.polivac.com.au for details on 'The Legend'.

Our latest C25

Behind every Polivac
there are legendary people...

Polivac is an all Australian-owned
company manufacturing Australian
products.

Everyone who works here takes
a great deal of pride in knowing
that Polivac is the Number One
manufacturer of Australian-designed
and built commercial cleaning
equipment exported worldwide.

That pride shows in the high build
quality of our machines.

Its why they last so long!

Its why they are so reliable!!

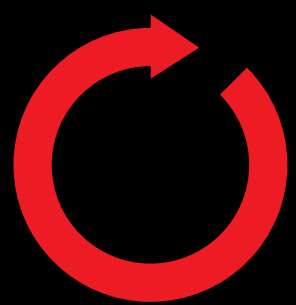

Its why we're Number One!!!

Your Polivac is the best machine to
ever come off our assembly line.

Its because a dedicated group of
Australians have done everything
possible to ensure your Polivac will
perform better than you expect, will
last longer than you can imagine and
will be as reliable as you want it to be -
day in, day out - for years!

So, when you start up your new
machine, you can be sure that our
reputation is only as good as every
single one of the machines we sell.

Please see the next page for the Index.

Stingray
50cm Ultra High Speed
Straight-Line Burnisher

- Best for:**
Larger areas in:
• Schools • Hospitals
• Basketball courts • Offices
• Building sites • Retail areas
- Recommended surfaces:**
• Vinyl • Terrazzo
• Marble • Polished Concrete
• Timber floors
- Features:**
• Designed to produce fast-set, full gloss floors in smaller areas
• Contour-following system
• Ergonomic, fully adjustable handle and safety switches
• Simple to service
• Powder-coated base for easy cleaning and maximum durability
• Blackline bumper
• Warranty - 2 years on motor. 1 year on parts

Technical Specifications:

- MOTOR**
CMG 1.6 kw (2.1 hp) 50 hz,
240 volt, 9.9 amps
- VACUUM** Single stage, active centrifugal
- DRIVE SYSTEM** Belt
- PAD SPEED** 1500 rpm
- PAD PRESSURE** 10 kg (22 lbs)
- PAD SIZE** 50 cm
- HANDLE** Fully height adjustable
- LEAD**
15 metre, heavy-duty, flexible, safety rubber
- DIMENSIONS WITHOUT HANDLE**
86 cm (33.9") L x 60 cm (23.6") W
x 39 cm (15.4") H
- DIMENSIONS WITH HANDLE**
1117.5 cm (46.3") L x 44.5 cm (17.5") W
x 10 cm (3.9") H
- WEIGHT**
46 kg (101.2 lbs)
- FINISH**
Industrial enamel and powder-coated.

The Polivac Conservation Cycle

Protecting the environment through intelligent design

- Responsible design
- Highest possible build quality
- High efficiency operation
- Reliability and long life
- Recyclability

At Polivac, our commitment to the environment is based on ensuring responsible attitudes and practices in the development of commercial cleaning equipment which significantly contributes to the conservation of resources combined with minimal energy use and maximum utilisation.

'The Legend'

You can rely on Polivac's legendary long life and reliability.

'The Legend' lives on in every machine we make. Exceptionally long life is built into every one of our products.

The proof is out there in the thousands of Polivacs and millions of hours of reliable service and high performance.

Our machines are still in operation on thousands of sites around Australia, in New Zealand and overseas after years and even decades of service.

If your equipment keeps letting you down, you can be confident that your new Polivac won't!

PV 25 Suction Polisher

Best for:

- Hospitals
- Schools
- Hotel foyers
- Polished concrete
- Basketball courts

Recommended surfaces:

- Vinyl
- Terrazzo
- Marble
- Polished concrete
- Timber

Features:

- The world's first suction polisher
- Proven reliability and long life
- The industry workhorse
- Offset motor for smooth start and balanced handling
- Height adjustable handle - suits most Operators
- Suction for dust control
- Warranty - 2 years on motor and gearbox. 1 year on parts

Technical Specifications:

MOTOR

2 pole, 1.4 kw (1.88 hp), 50hz, 220-240 volts (110 volt motor available)

BRUSH SPEED 392 rpm

BRUSH / PAD SIZE 40 cm

PAD HOLDER SIZE 40 cm

VACUUM 300 watt max.

MACHINE WEIGHT 46 kg (101.2 lbs) (Inc brush and handle)

GEARBOX Sealed, oil-filled 'Polidrive' single reduction helical gear

HANDLE Height adjustable

LEAD

15 metre, heavy-duty, flexible, safety, rubber

BODY

Industrial enamel and powder-coated cast aluminium alloy

FITTED WITH

Quick Release System

C25 Non-Suction Polisher

Best for:

- Hospitals
- Schools
- Hotel foyers
- Polished concrete
- Basketball courts

Recommended surfaces:

- Vinyl
- Terrazzo
- Marble
- Polished concrete
- Timber

Features:

- Proven reliability and long life
- The industry workhorse
- Offset motor for smooth start and balanced handling
- Height adjustable handle - suits most Operators
- Warranty - 2 years on motor and gearbox. 1 year on parts

Technical Specifications:

MOTOR

2 pole, 1.4 kw (1.88 hp), 50hz, 220-240 volts (110 volt motor available)

BRUSH SPEED 392 rpm

BRUSH / PAD SIZE 40 cm

PAD HOLDER SIZE 40 cm

MACHINE WEIGHT 41 kg (91.3 lbs) (Inc brush and handle)

GEARBOX Sealed, oil-filled 'Polidrive' single reduction helical gear

HANDLE Height adjustable

LEAD

15 metre, heavy-duty, flexible, safety, rubber

BODY

Industrial enamel and powder-coated cast aluminium alloy

FITTED WITH

Quick Release System

C27 Scrubber

C27RS Rotary Shampoo

Best for:

- General hard floor maintenance
- Carpet encapsulation
- Carpet shampooing
- Bonnet cleaning
- Wet areas - bathrooms, pools, toilets

Recommended surfaces:

- Carpet
- Concrete (Polished)
- Granite
- Marble
- Terrazzo
- Vinyl

Features:

- Proven scrubber based on PV25 Suction Polisher design
- The industry workhorse
- Offset motor for smooth start and balanced handling
- Balanced for even surface finish
- Height adjustable handle - suits most Operators
- Warranty - 2 years on motor and gearbox. 1 year on parts.

Technical Specifications:

MOTOR

4 pole, 1.12 kw (1.5 hp), 50hz, 220-240 volts (110 volt motor available)

BRUSH SPEED 392 rpm

BRUSH / PAD SIZE 40 cm

PAD HOLDER SIZE 40 cm

MACHINE WEIGHT 41 kg (91.3 lbs) (Inc brush and handle)

GEARBOX Sealed, oil-filled 'Polidrive' single reduction helical gear

HANDLE Height adjustable

LEAD

15 metre, heavy-duty, flexible, safety, rubber

BODY

Industrial enamel and powder-coated cast aluminium alloy

FITTED WITH

Quick Release System

TANK Optional as VCGO16 for C27RS 12 litres (2.64 gals)

WEIGHT SET

Optional. Up to 24 kg (52.8 lbs)

A23 Mini-Scrubber

Best for:

- Bathrooms
- Toilets
- Home polishing

Recommended surfaces:

- Polished Concrete
- Marble
- Timber floors
- Granite
- Terrazzo
- Vinyl

Features:

- Lightweight - highly manoeuvrable
- Powerful offset motor for smooth start and balanced handling
- Balanced for even surface finish
- Height adjustable handle - suits most Operators
- Warranty - 2 years on motor and gearbox. 1 year on parts

Technical Specifications:

MOTOR

4 pole, 0.56 kw (0.75 hp), 50hz, 220-240 volts (110 volt motor available) Also available in high speed

BRUSH SPEED 187 rpm

BRUSH / PAD SIZE 30 cm (Clutch system)

PAD HOLDER SIZE 30 cm (Clutch system)

MACHINE WEIGHT 32 kg (70.4 lbs) (Inc brush and handle)

GEARBOX Sealed, oil-filled 'Polidrive' single reduction helical gear

HANDLE Height adjustable

LEAD

15 metre, heavy-duty, flexible, safety, rubber

BODY

Polypropylene

FITTED WITH

Clutch System

Wombat Dry Canister Vac

Best for:

- All commercial and domestic carpet and hard floor applications

Recommended surfaces:

- All carpets and hard floors

Features:

- Tough rotationally moulded body
- 3 wheels for maximum manoeuvrability
- Simple and quick to service
- Optional powerhead socket
- Warranty: 1 year on motor and parts 10 years on body

Technical Specifications:

MOTOR

1100 watt, 220-240 volt. 50 hz 110 volt, 400 hz also available 850 watt Domel motor optional

LEAD

15 metre, heavy-duty, flexible, safety rubber

HOSE

Double swivel. 1.8m 3.2 cm diameter. Crushproof.

SHIPPING WEIGHT 10 kg

WEIGHT 6.5 kg

DUSTBAG CAPACITY Approx. 8 litres

AIRFLOW

45.5 litres per second

WHEELS

12.7 cm (5") high tensile nylon

STANDARD ACCESSORIES

2 piece wand set. Gulper floor tool. Crevice tool. Furniture brush. Hose assembly.

OPTIONAL

Powerhead Paper bags also available

COLOURS

Grey. Red. Yellow. Blue

Koala Backpack Vacuum Cleaner

Best for:

- All commercial and domestic carpet and hard floor applications
- General trades cleaning

Recommended surfaces:

- All carpets and hard floors

Features:

- 1100 or 850 watt Domel motor
- Large capacity dustbag
- Soft foam harness
- Illuminated power switch
- Lead restraint
- Ultra-tough body
- Warranty: 1 year on motor and parts. 10 years on body.

Technical Specifications:

MOTOR

1100 watt, 240 volt. or 850 watt 110 volt, 400hz also available

LEAD

15 metre, heavy-duty, flexible, safety rubber

DUSTBAG 6 litres capacity

AIRFLOW 52.12 litres per second

APPLICATION Dry vacuum

AUX. POWER

Power outlet for optional powerhead

STANDARD ACCESSORIES

2 piece wand set. Gulper floor tool. Crevice tool. Round brush. Hose assembly

OPTIONAL

Powerhead

Proudly Australian made

Every day that goes by, we are seeing more and more imports flooding the market. Some suitable for the tough conditions of Australian commercial cleaning, many not.

At Polivac we are fiercely proud that we are an all-Australian owned Company and that we design and manufacture equipment right here in Australia - for Australian conditions!

'Aussie-tough' built into every Polivac to last longer when the others have given up.

Gas 20" Gas-powered High Speed Burnisher

Best for:

- Airports • Shopping centres
- Supermarkets • Offices
- Polished concrete • Schools

Recommended surfaces:

- Vinyl • Granite
- Marble • Polished concrete
- Most ultrahard floors

Features:

- 2,000 sq. metres per hour coverage
- Highly manoeuvrable
- High performance - 2500rpm
- Single stage active vac system with floating skirt
- Push-button electric start
- Fully adjustable handle
- Bias control
- Powder-coated steel base
- Easy access to belts and pulleys
- Warranty - 1 year on motor and parts

Technical Specifications:

MOTOR

9.69 kw (13 hp) Honda or 11.19 kw (15 hp) V-twin version or 12.68 kw (17 hp) Kawasaki

PAD SPEED 2500 rpm

WEIGHT 95 kg

DRIVE Belt

VACUUM Single stage, active centrifugal with metal impeller

BATTERY TYPE

12 volt, 20 amp hour, gel, sealed

GAS BOTTLE

9 kg (Optional extra)

NOISE 89 db

START

Push button electric

FINISH

Industrial enamel and powder-coated.

Gas 24" Gas-powered High Speed Burnisher

Best for:

- Airports • Shopping centres
- Supermarkets • Offices
- Polished concrete • Schools

Recommended surfaces:

- Vinyl • Granite
- Marble • Polished concrete
- Most ultrahard floors

Features:

- 2,700 sq. metres per hour coverage
- Contour following system
- Ultra-reliable Honda or Kawasaki power
- Key electric start
- Fully controllable clutch
- Single stage vac system
- Adjustable contoured handle with safety triggers
- Convertible to 28" with different head, pad, pulleys and skirt
- Warranty - 1 year on motor and parts

Technical Specifications:

MOTOR

11.2 kw (15 hp) Honda or 12.68 kw (17 hp) Kawasaki V-Twin

PAD SPEED 2500 rpm

WEIGHT 110kg

DRIVE Belt

VACUUM Single stage, active centrifugal with metal impeller

BATTERY TYPE

12 volt, 20 amp hour, gel, sealed

GAS BOTTLE

9 kg (Optional extra)

NOISE 89 db

START

Key electric

FINISH

Industrial enamel and powder-coated.

Gas 28" Gas-powered High Speed Burnisher

Best for:

- Airports • Basketball courts
- Shopping centres
- Sports centres • Supermarkets
- General large area burnishing

Recommended surfaces:

- Vinyl • Concrete • Granite
- Marble • Polished concrete
- Terrazzo • Most ultrahard floors

Features:

- More than 3,000 sq. metres per hour coverage
- Contour following system
- Ultra-reliable Honda or Kawasaki power
- Total Dust Control System
- Reinforced, powder-coated, steel body
- Warranty - 1 year on motor and parts

Technical Specifications:

MOTOR

11.2 kw (15 hp) Honda or 12.68 kw (17 hp) Kawasaki V-Twin

PAD SPEED 2500 rpm

WEIGHT 110kg

DRIVE Belt

VACUUM Single stage, active centrifugal with metal impeller

BATTERY TYPE

12 volt, 20 amp hour, gel, sealed

GAS BOTTLE

9 kg (Optional extra)

NOISE 89 db

START

Key electric

FINISH

Industrial enamel and powder-coated.

Gas 38" Gas-powered High Speed Burnisher

Best for:

- Airports • Shopping centres
- Supermarkets • Offices
- Polished concrete • Schools

Recommended surfaces:

- Vinyl • Granite
- Marble • Polished concrete
- Most ultrahard floors

Features:

- More than 4,000 sq. metres per hour coverage
- Contour following system
- Ultra-reliable Kohler power
- Key electric start
- Single stage vac system
- Adjustable contoured handle with safety triggers
- Warranty - 1 year on motor and parts

Technical Specifications:

MOTOR

Kohler 14.89 kw (20hp)

PAD SPEED 1800 rpm

SHIPPING WEIGHT

170 kg (including packing)

MACHINE WEIGHT 140 kg

DRIVE Belts and pulleys

VACUUM Single stage, active centrifugal with metal impeller

BATTERY TYPE

12 volt, 33 amp hour, wet, sealed long life

GAS BOTTLE

9 kg (Optional extra)

DIMENSIONS

140 cm (55.1") L x 112 cm (44.1") W x 90cm (35.4") H

FINISH

Industrial enamel and powder-coated.

ST2100 51 cm Gas-powered Stripping Machine

Best for:

- Garages • Service areas
- Supermarkets • Warehouses

Recommended surfaces:

- Vinyl • Terrazzo • Marble
- Polished concrete • Timber

Features:

- Removable weight system
- No-splash, right-up-to-the-wall stripping
- Ultra-reliable Honda power
- Push button fast start
- Splash guard protects pulleys
- Warranty - 1 year on motor and parts

Technical Specifications:

MOTOR

Honda 9.69 kw (13 hp), 4 stroke, overhead valve, fitted with oil alert system

DRIVE Belt

SPEED 350-700 rpm

BRUSHES Tynex abrasive

HANDLE Adjustable

BATTERY

12 volt, 20 amp hour, gel sealed

OPTIONAL Gas bottle. 9kg

DIMENSIONS

160 cm (63") L x 63.5 cm (25") W x 103 cm (40.6") H (71 cm (28") when handle is folded down)

SHIPPING WEIGHT

180 kg including packing Machine and enclosed weight set

Rider 103 103 cm Ride-on Ultra High Speed Gas-powered Burnisher

Best for:

- Airports • Shopping centres
- General large area burnishing

Recommended surfaces:

- Concrete • Granite
- Marble • Polished concrete
- Terrazzo • Most ultrahard floors

Features:

- 7000 sq. metres per hour coverage
- Highly manoeuvrable
- Triple pads for total coverage
- High Operator and Public safety features
- Warranty - 1 year

Technical Specifications:

MOTOR

Kohler 14.9 kw (20 hp) Gas

DRIVE PADS 3 x 380 mm pad holder

SPEED 1800 rpm

VACUUM

Single stage, active centrifugal with plastic impeller

DRIVE Belt for pads, chain for drive

WEIGHT 260 kg (573 lbs)

NOISE LEVEL 90 db

BATTERY TYPE

12 volt 33 amp hour, wet, sealed, heavy-duty

GAS BOTTLE

9 kg (Optional extra)

Looking after you all across Australia and the world ...the Polivac International Distributor network.

Our products are backed by local warehousing of parts and spares through over 120 Distributors across Australia and New Zealand ...and in more than 10 countries worldwide.

No waiting for imported parts.

Fast turnaround for servicing.

Minimum downtime.

Lower operating costs.

There's an Authorised Polivac Distributor near you wherever you are.

Quality Assured internationally since 1997

Compliant with Australian Standard AS/NZS ISO 9001/2008

Every Polivac machine is built to 'Export Quality'. Its your guarantee of the highest quality performance and manufacturing standards

...and our commitment to excellence.

Proof of performance

We've been designing and building commercial cleaning equipment for over 60 years.

Developing.
Refining.
Listening.
Innovating.

Over 60 years of building what you want.

Over 60 years of ensuring the greater efficiency and longer life you can rely on is built-in to every Polivac.

Tomorrow we'll get another piece of feedback, another good suggestion from our Customers which we'll put into future machines to come off the line.

Today, as we move on towards celebrating well over 60 years as Australia's premier cleaning equipment manufacturer, we are still listening.

Shark
Low Profile
Electric Scrubber

Best for:

- Supermarkets
- Commercial kitchens
- Factories • Warehouses

Recommended surfaces:

- Vinyl • Terrazzo
- Marble • Polished Concrete
- Timber Floors

Features:

- Low profile, long nose for under-gondola or shelf scrubbing or stripping
- Quick release Tynex brush
- Ergonomic control and handle adjustment
- Powder-coated steel base.
- Warranty - 2 years on motor. 1 year on parts

Technical Specifications:

MOTOR
4 pole, 1.49 kw (2 hp), 220-240 volt, 50 hz

BRUSH SPEED 237 rpm

BRUSH 40 cm (Quick release) Tynex

DRIVE Belt

LEAD 15 metre, heavy-duty, flexible, safety rubber

DIMENSIONS
101cm (39.8") L x 41cm (16.1") W x 96 cm (37.8") H

SHIPPING WEIGHT
57 kg (Including handle, brush or pad)

OPTIONAL
(i) 3kg round disc weights
(ii) Drive pads

Gas Shark
Low Profile
Gas-powered Scrubber

Best for:

- Supermarkets
- Commercial kitchens
- Factories • Warehouses

Recommended surfaces:

- Vinyl • Terrazzo
- Marble • Polished Concrete
- Timber Floors

Features:

- Power 9.69 kw (13 hp)
- Low profile, long nose for under-gondola or shelf scrubbing or stripping
- Tynex brush
- Ergonomic control and handle adjustment
- Powder-coated steel base.
- Warranty - 2 years on motor. 1 year on parts

Technical Specifications:

MOTOR
Honda 9.69 kw (13 hp)

BRUSH SPEED 936 rpm

BRUSH 50 cm Tynex

DRIVE Belt

DIMENSIONS
140cm L x 50cm W x 220 cm H

SHIPPING WEIGHT
57 kg (Including handle, brush or pad)

OPTIONAL

(ii) 9kg gas bottle

1700E
Automatic
Floor Scrubber

Best for:

- Basketball courts • Building sites
- Factories • Foyers • Gymnasiums
- Halls • Hospitals • Offices
- Nursing Homes • Retail areas
- Supermarkets
- Wet areas - bathrooms, pools, toilets

Recommended surfaces:

- Concrete • Marble
- Polished concrete • Terrazzo
- Timber floors • Vinyl

Features:

- 750 sq. metres per hour coverage
- Maximum manoeuvrability - turns 360 degrees in 1 metre
- Sealed, oil-filled gearbox
- Long-lasting poly propylene tanks
- Fingertip manual control system
- Quick Release System
- Warranty - 2 years on motor. 10 years on tanks

Technical Specifications:

MOTOR
550 watt, 240 volt, 50 cycle, 4 pole capacitor start
110 volt motor also available

BRUSH SPEED 192rpm

PROPULSION Self-propelled

VACUUM 1100 watt, 2 stage, bypass, 240 volt, 50 cycle automatic actuating electric motor

SOLUTION Adjustable flow variable control with flow control on handle

TANKS
Polypropylene with clear lids

LEAD
15 metre, heavy-duty, flexible, safety rubber

SOLUTION TANK 20 litres

RECOVERY TANK 20 litres

Sandivac
Rotary Sander

Best for:

- All commercial and domestic timber floors

Recommended surfaces:

- Timber floors

Features:

- Three machines in one: vacuum sander, stripper, scrubber
- Complete ready-to-go package - pad holder, pad and sanding disc
- Offset motor
- Counter balanced with fully adjustable handle
- Floating skirt
- Large flow-through vac. channel
- Warranty - 2 years on motor and gearbox. 1 years on parts

Technical Specifications:

MOTOR
SV25 1.1 kw (1.48hp), 50 hz, 240 volt, 4 pole, 7 amps
SV30 1.5 kw (2.01hp), 50 hz, 240 volt, 2 pole, 9.8 amps

DRIVE 'Polidrive' Gearbox: Single reduction helical gears, with deep-grooved ballraces Sealed and oil-filled

DRIVE PAD SPEED
SV25: 192 rpm SV30: 350 rpm

DRIVE PAD SIZE 40 cm (15.7")

VACUUM 300 watt long-life motor with replaceable fan blades and large capacity collection bag

HANDLE Fully height adjustable

LEAD 15 metre, heavy-duty, flexible, safety rubber

BODY Aluminium alloy

FINISH Industrial enamel and powder-coating

WEIGHT Machine: 38 kg (83.6 lbs)
Pad holder: 4 kg (8.8 lbs)
Handle: 7 kg (15.4 lbs)
Total machine: 49 kg (107.8 lbs)

Predator
Low and High Pressure
Carpet Extractor

Best for:

- All types of commercial and domestic carpets
- Flood recovery areas

Recommended surfaces:

- All types and grades of carpet

Features:

- Three models - MkI, MkII, MkIII
- Totally portable, fully featured
- Spring mounted vac motors
- Controls protection
- Fully adjustable pressure
- Brass fittings and connectors
- 12" wand with 3 jet spray system
- Electrical overload protection
- Constant hot water temperature
- Float cutout
- Oilpath maintenance hour meter
- Liquid-filled pressure gauge
- Self-illuminating button switches
- External pressure control
- Ergonomic design
- Hour meter
- Warranty - 1 year on motor and parts. 10 years on body.

Technical Specifications:

MODELS
Mk I 100 psi
Optional extra: Autofill, auto empty
Mk II 350 psi (Normal operating pressure)
Optional extra: Autofill, auto empty
Mk III 1000 psi
Optional extra: Autofill, auto empty

VACUUM SYSTEM
2 - 1100 watt, 3 stage bypass motors

PUMP Oilpath -1500 psi, driven by 0.56 kw (0.75 hp) motor with externally mounted push-button reset switch

PRESSURE GAUGE
0-16000 kpa liquid-filled

PRESSURE ADJUSTMENT
Combined external controller / air bleed valve

BODY
Fibreglass with aluminium frame

WHEELS
Front: 2 non-marking lockable castors
Rear: 2 pneumatic tyres

HANDLES
2 easy grip stainless steel

SWITCHES
Push-button illuminating rockers

LEAD
15 metre, heavy-duty, flexible, safety rubber

HEATER
Thermostatically controlled heater element

HOURLY METER 0-9999 hours scale

CAPACITIES
Solution tank: 50 litres (11 gals.)
Recovery tank: 50 litres (11 gals.)

STANDARD INCLUSIONS
7.5 metres (295.3") solutions hose
7.5 metres (295.3") vacuum hose
Wand with 3 Jet, 30 cm (12")
Spray System

OPTIONAL
15 metre hose
